Letter No. 1549 of 30/3/46 from the CE) forwarding allocation statement of Engineer Officers

of Engineer establishment with proposals for promotions.

17. The allocation statement of Engineer Officers as it stood on 15-8-46 (as furnished by the Chief Engineer) requires verification in the audit office.

18. The Chief Engineer has sought orders on the following proposals:—

(a) confirmation of the promotions of Messrs. H.V. Viswesvaraiya, S. Poligiri Rao and N. Neelakantappa in their appointments;

(b) Confirmation of 25 temporary Asstt. Engineers from Messrs. G. Subramanyam to B.S. Venkatesaiya in their appointments;

(c) changing the tenure of 27 Offg Asstt. Engineers into temporary (three Prob Asstt. Engineers are also included among these 27);

(d) promotion of 12 Senior Surveyors to Asstt. Engineers' grade against similar number of vacancies.

19. The proposals (b) has to be examined the question of relative rank of the Prob Asstt. Engineers (now before Council) is decided. The proposals (c) to change the tenure of Offg Asstt. Engineers into temporary may be approved. There

leaving vacancies for temporary service. As date from which this can be done has to be decided, the incumbents being allowed a charge allowance from the date of holding charge of Subdns to the date they are made Asstt Engineers.

Further promotions to Asstt Engineers' cadre may also have to be kept over in view of the alternative suggested by the Govt of Pb. to restore the Engineer graduates to such places as they would have risen to had the 1930 order been followed right through in making promotions to the old Sub Engineers' cadre. These proposals (a) to (d) will be worked up in greater detail after the allocation statement is verified.

20. The previous allocation statement as on 1.9.46 received from the C.E. on 27.3.46 was forwarded to the Comptroller for verification on 6.4.46 Though it is four months the statement has not yet been received back. The Chief Engineer has now submitted again a fresh up-to-date allocation stt. which has to be forwarded to the Comptroller for verification. The promotions are held up from very long time and it is indeed a great hardship for the engineering officers. The financial

the promotion to Asst Engrs rank takes effect from the date of assumption of duties of such posts. In the above 27 cases, such charges were held by the incumbents long after the dates from which they are now proposed to be made temporary Asst Engrs. Besides all the 27 were promoted as Dy Asst Engrs only in May 1945 and that too on a temporary basis. In view of these circumstances, their temporary may perhaps be changed into temporary from the date (May 1945) of the Notification ordering their promotion as Dy Asst Engrs or date of assumption of duties of such posts whichever is later; there being temporary posts in existence from such dates.

MYSORE PUBLIC WORKS DEPARTMENT. Gen 24-46-3

M. NARASIMHAIYA, Esq., B.A., C.E., M.I.E., (Ind.)
Chief Engineer for Irrigation.

CENTRAL OFFICE, IRRIGATION.

Dated, Bangalore ...June..26,.....1946.

D. O. No. P.C.436
Encl: 2 statements.

OFFICE OF THE MINISTER FOR PUBLIC WORKS
27 JUN 1946
P. 1485

P.W.S. 292
Date 16/7/46

Dear Sir,

In continuation of my D.O. letters Nos.123 and A dated 21-12-1945 and 26-1-1946, respectively, regarding the question of Assistant Engineers in the Department, I wish to state that orders of Government are awaited on the following subjects:-

1) Fixing the ranks of the Probationary Assistant Engineers, referred to in my D.O. No.123 of 21-12-1945.

2) Allocation statement submitted along with my D.O. No.A of 26-1-46.

3) Promotion of 12 senior Suryeyors as officiating Assistant Engineers, proposals in respect of which were submitted in this office No. 5444/E dated 21-2-1946.

These have a bearing on the prospects and position of 90 officers. Practically the charge of all the Sub Divisions is held by them. Wherever I go on inspection I find that a kind of depression has crept among them and is undermining the efficiency of the Department.

Now that important and large works, like the Tunga and Bhadra Reservoir schemes and those under the Five-year Programme are launched and Government desire that they must be completed in as short a time as possible, and it is imperative that the Minor Tank Restoration should be speeded up, for which a ten-year programme is ready, a timely and helpful decision on the above matters will go a long way to infuse enthusiasm in these young men on whose work depends not only the progress on several important works on hand but also the success of the big schemes contemplated under the post-war reconstruction programme.

I enclose for your perusal a statement showing the names of officers who are at present holding charge of Sub Divisions and the pay they are drawing. It can be seen therefrom that a number of officers in charge of important Sub-Divisions are in receipt of pay ranging from Rs. 175 to 110 per month. Some of them being in head'quarters Sub Divisions, have to be in charge of Divisions during the absence of the Executive Engineers and this gives rise to anamolous situations many a time.

The allocation statement submitted with my D.O. No.A of 26-1-1946, if returned approved, entitles all the officiating Assistant Engineers now drawing Rs. 175 to a pay of Rs. 200 from the dates noted against their names and in some

cases their first increment of Rs. 40 has also accrued. I apprehend that further delay in communicating approval to the same will cause unnecessary complications in settling the old claims, which are legitimately due to them, particularly in respect of those whose services are lent to outside Departments. To cite an instance, any increase in emoluments due to officers loaned to foreign service may have to be claimed from those agencies.

In conclusion, I wish to reiterate that my recommendations made in my D.O. letters Nos. 123 and A of 21-12-1945 and 26-1-1946, and in No. 5444/E.d/21-2-46, regarding (i) the position of the Probationary Assistant Engineers in the cadre of Assistant Engineers, (ii) Allocation Statement fixing up the tenure of officers, (iii) Promotions of graduate surveyors, may be kindly approved at a very early date. I am of the opinion that this will tone up the existing depressed condition in the Department to a large measure and be very helpful in pushing through the big postwar schemes on hand and in the discharge of the normal activities of the Department.

I therefore request the favour of immediate orders on these vital questions which directly concern the efficiency of the Department immediately, and the future as well.

With regards,

I remain,

Yours sincerely,

M. Narasimhaiya

CHIEF ENGINEER FOR IRRIGATION.

Letter No. 1550. dated 20-8-1946 from the Chief Engineer for Irrigation in Mysore, Bangalore, to the Secretary to Government, Public Works Department, Bangalore.

Allocation statement of Engineer Officers.

I have the honour to invite reference to this office letter No. 1549 dated 20-8-1946 forwarding an allocation statement of Engineer Officers as it stood on 15-8-1946.

2. In Government Order No.P.W.6405-12 dated 21-5-1945, 27 Senior Surveyors were promoted as Officiating Assistant Engineers. It may be seen from the enclosed statements that the tenure of all these officiating Assistant Engineers could be changed to temporary on a pay of Rs.200-40/2-400 with effect from the dates noted against each.

3. Even after changing the tenure of the Officiating Assistant Engineers into temporary, there will be still 17 vacancies of temporary Assistant Engineers. After setting apart 5 vacancies as per details noted in the margin, 12 senior Surveyors may be promoted as Assistant Engineers.

3	Honorary Assistant Engineers in charge of Sub Division.
1	to Mr. S.A.Hussain, Sanitary Bureau
1	to Mr. L. C.Keshava Rao in Aundh State.

4. I request that orders of Government may kindly be communicated for (1) changing the tenure of all the officiating appointments into Temporary and (2) to promote the 12 senior Surveyors as temporary Assistant Engineers on Rs.200/- in grade Rs.200-40/2-400.
